The world seems to be in a very precarious state with so much conflict in so many places. One thing that never fails to bring us all together is the array of creative minds so poignantly organized at Design Miami/ 2023, (<https://designmiami.com/>) where 57 galleries and living artists from a multitude of nations around the world share their artistry under one big tent. Here, the elements of passion, rigor, beauty, intelligence, and humanity are hopeful signs towards the future.

See below for some of the artists and nations represented at the fair:
